

CIVIC GARDEN CLUB OF SAN CARLOS

Newsletter September, 2014

Greetings Members...

This is our newsletter for September. Jennifer's computer had a meltdown so I will give you the black on white version.

Joanie and Lea represented the club at the San Carlos History Museum Ice Cream Social today (Sept. 13) and helped dozens of youngsters plant flower seeds in small compostable pots. Who knows, one day a few of these kids may be our members.

On Saturday Sept. 27 we will host "Taste of Italy" at the Casa. This is an annual fund raising event of the San Carlos Sister City Assoc. to raise money for their student exchange program. Last year, we sent two students to Omura Japan and received three in return. Tickets are \$25 and the menu includes pasta from Delizie, pizza from San Remo's, A-Lot-A-Gelato, salad, bread and wine. I will have tickets for sale at our next luncheon meeting.

On Sunday, October 19 we will team with the Villagers to welcome Robin Chapman, author of "California Apricots, the Lost Orchards of Silicon Valley". Following her presentation, there will be a book signing and plenty of apricot refreshments. Join us at 2pm at our Casa. NO CHARGE.

Our next meeting is Friday, Sept 19, The Board of Directors will prepare the lunch so it's going to be delicious. Our speaker is Terry Lyngso, Master Gardener who will tell us "how to greatly boost your garden's health".

Check out the herb garden in our Garden Spot. It's located in the middle crib and includes basil, banana mint, rosemary, mojito mint, hot and spicy oregano, and chocolate mint. Pick up your favorites at our next meeting.

Enjoy the rest of summer

I look forward to seeing you all at our next meeting, Sept. 19....Tom

Your Board of Directors met on Sept 8. Tom reported that the ramp is under discussion. Olga volunteered to contact an architect who may be willing to prepare plans pro bono.
